

PROJECT 1-2020  
SHOULD I STAY OR SHOULD I GO?

MY NAME IS MAGDALENA MARTINEZ  
AND THIS IS MY FINAL PRODUCT

# SHOULD I STAY OR SHOULD I GO WHAT DRIVES US TO REACH OUR GOALS?

## What is the Project About?

The project is about the need of human to explore and discover what is far away, so we talked about immigrants and explorers, the new routes experiences and learning and the motivation to explore and look for new lands.

## What do immigrants and explorers have in common?

They have in common that both of them migrate to another country looking for better and more riches or/and resources. And that they want to explore or discover new things or cultures.

# THE SUBPRODUCTS OF THE PROJECT

## CANVA POSTER

We interviewed an immigrant and then with the information, we did a poster talking about them and their migration to another country. For example how do they feel in that country, etc.

## PASSPORT EXPLORERS

We talked about different explorers of the 15 th century and then we made a passport with their information and discoveries. For example their born and death date... etc.

# SUBPRODUCT 1: CANVA POSTER

## IMMIGRANTS

**CHALLENGES IN THE MIGRATION**  
SOME CHALLENGES WERE TO GET USED TO CHILE'S CULTURE BUT NOW I LOVE THIS COUNTRY AND I WOUDEN'T GO BACK TO PERU.

**LEFT BEHIND/ BROUGHT**  
LEFT BEHIND: FAMILY  
BROUGHT: NEW PEOPLE, FRIENDS AND A GOOD WORK.

**BENEFITS AND DISVANTAGES**  
THE BENEFITS WERE THAT HERE I WOULD HAVE A BETTER ECONOMY AND THE DISVANTAGES WERE THAT I WOULD HAVE TO SEPARTE OF MY FAMILY

**DOCUMENTATION**  
SHE HAD TO GO TO THE PDI AND TAKE A PERMISSION TO ENTER, THEN TAKE AN AUTHORIZATION TO WORK WITH A TEMPORAL IDENTITY CARD, AND THEN SHE GETS HER DEFINITIVE CARD BETWEEN 1 OR 3 YEARS. AFTER THAT SHE STARTS RENEWING IT LIKE ALL CHILEANS.

**Reflection**  
It is when a person or people travels to another country looking for a better life, oportinities or resources.

**FIRST DAYS IN CHILE**  
AT FIRST I DIDN'T LIKE THE CHILEAN FOOD AND I DIDN'T UNDERSTAND SOME TERMS, FOR EXAMPLE THEY SAY "POLERA" AND IN PERU THEY SAY "POLO".

**INTERVIEWED:**  
MARIA  
ELENA RUEDA  
LAOS

**BY:** MAGALENA MARTINEZ J.

What did I learn with this subproduct?

I learned that not all people has the same resources and the reasons why sometimes people has to leave their country for better lives. Also that sometimes you have to leave some things or people to follow your dreams or to have better resources.

# SUBPRODUCT 2 : EXPLORER PASSPORT CHRISTOPHER COLUMBUS

What did I learn About Christopher Columbus?

I learned that he was who discovered America, but that also he died without knowing he had discovered a new continent and it was not India. And also that Colombia has that name because Christopher Columbus.

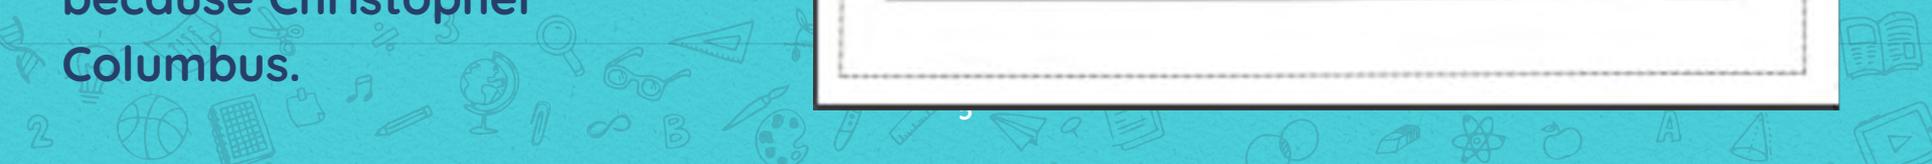

Name : Cristopher Colombus  
Birth date: October 31, 1451  
Death date: May 20, 1506  
Nationality: Italian

Main voyages and things discovered: Christopher Columbus's main voyage and discovery was America.

Legacy: His legacy were horses, pigs and sheeps

Fun Fact: He was an extremely religious man.

# SUBPRODUCT 2

## EXPLORER PASSPORT: AMERIGO VESPUCCI

Name : Amerigo Vespucci

Birth date: March 9<sup>th</sup>, 1454

Death date: February 22<sup>nd</sup>, 1512

Nationality: Italian

Main voyages and things discovered: He was the first one to say that America wasn't connected with Asia.

Legacy: Amerigo Vespucci's legacy was our continent's name.

Fun Fact: When knowing the news of the new world he embarked on the Alonso Ojeda Expedition and reached the coasts of Brazil, Venezuela and was the first to reach the Río de la Plata.

What did I learn About Amerigo Vespucci? I learned that our continent (America) has that name because of him. And that also when he went to America he was the first to realize that was a new continent and not India.

## SUBPRODUCT 2

# EXPLORER PASSPORT: COMPLETE WITH YOUR EXPLORER SELECTION

What did I learn about Ferdinand Magellan?  
I learned that he discovered the “Estrecho de Magallanes” and that is why it has that name.  
Also that he put the name to the Pacific Ocean. And that he proved that the Earth was round and not flat.

Name : Ferdinand Magellan

Birth date: February 3<sup>rd</sup>, 1480

Death date: April 27<sup>th</sup>, 1521

Nationality: Portugal

Main voyages and things discovered:

His main voyage was when he went looking for a route to India through America, and his discovery was the “Estrecho de Magallanes”.

Legacy:

His legacy was the “Estrecho de Magallanes” and the Pacific's Ocean name.

Fun Fact:

People have different opinions of where he was born.

# WHAT DID I LEARN IN THIS PROJECT?

During this Project I learnt about different things

- ❑ In science I learnt about water, ocean, weather phenomena, currents, living things and cells. And my favorite part was the one about currents.
- ❑ In math I learnt about multiplication and division (operations), Cartesian plane, perimeter and average. And my favorite part was Division.
- ❑ In social studies I learnt about Explorations in the 15<sup>th</sup> century, the discovery and conquest of America, Natural Hazards and Tsunamis. And my favorite part was The Conquest of America.

CREDITS: I WANT TO THANKS AND  
GIVE CREDITS TO MISS DANI, BECAUSE  
SHE ALWAYS HELPS US AND BELIEVES  
IN US. 😊
